Help people *living*  
with brain injury go From surviving  
to thriving.....

In Essex, **every 58 minutes**, someone is admitted to hospital with a brain injury. Quite often, their life and the lives of their family members will forever be affected.

Whatever your regular gift, it will help ensure we can be there for many years to come; taking clients and their families from a place of surviving to thriving.

Make a *difference* to the lives of  
hundreds of people

Headway Essex is proud to say it has been supporting local people living with an acquired brain injury for over 30 years.

Each year, we help hundreds of people, giving them the opportunity to develop a renewed sense of purpose, social structure and added meaning to their lives following their injury.

It brings you *behind the scenes*

By joining the Headway Essex Hive, your commitment will bring you closer to our work through updates on the impact your gift is making.

We promise every penny you give will go to continuing our work in supporting people living with acquired brain injury.

Would run the Headway Essex helpline for a day.

Would fund three hospital visits.

Would fund a client to attend a support group for a year.
